

2024 ART KAOHSIUNG

11.29 FRI. 12.01 SUN.

Exhibition Introduction

As the benchmark art event in the second half of the year in Taiwan, ART KAOHSIUNG invites local galleries, cultural centers, and artists in Kaohsiung to participate. It continues to integrate and develop the potential for art exchange in Asia, bridging the cooperation between the domestic and European art industries.

Renowned curators and gallery operators are invited to connect the art resources in central and Southern Taiwan, creating a vibrant cultural and artistic atmosphere in the city of Kaohsiung.

In 2014, Art Kaohsiung successfully pioneered a new frontier in Southern Taiwan as the "platform for art exchange in Northeast and Southeast Asia", expanding the scope of artistic dialogue in Asia and increasing the international visibility of the Taiwanese art market.

Formosa Art Fair Company as the organizing committee for the 12th edition of ART KAOHSIUNG, the committee warmly invites all galleries to participate in this unique and top-notch art week in Kaohsiung!

Kaohsiung Art Week Promotion

Formosa Art Fair will organize an international publicity program in English, Japanese, and Korean, targeting Southeast Asia, Korea, and Japan.

Especially in the case of special exhibitions and the participation of Taiwanese artists in the Art Fair, the company will focus on expanding the overseas marketing publicity of Taiwanese artists, and promote Taiwanese artists to the international art market through a professional art perspective.

- Before and during the fair, we will cooperate with Kaohsiung galleries and art organizations to promote the Kaohsiung Art Week on the fair's self-media to expand the scale of publicity.
- The founder of Formosa Art Fair, Mr. Richard H.K. Chang was also awarded the "Heritage Contribution Award" at the Penang International Art Summit in 2023. Formosa Art Fair actively adheres to the curatorial intention of promoting international art and cultural exchanges, and establishes a platform for the interaction between the contemporary art industry in Taiwan and the art space in the form of an exhibition, in order to promote the development of regional art.
