Art Future 2027

ART FUTURE is Asia's first art fair dedicated to artists under the age of 40.

In 2027, it will be held at the Grand Hyatt Taipei, gathering galleries, institutions, and collectors from around the world to create a premier platform for high-end, professional art exchange.

Located in the heart of Taipei, a city of trust, we connect global vision with local cultural energy, co-creating a new chapter for the future of art.

GLOBAL CONNECTION, EXPANDING ARTISTIC HORIZONS

ART FUTURE actively promotes international collaboration and strengthens connections between leading galleries, institutions, and collectors worldwide, opening more opportunities for Asian emerging artists.

We are committed to supporting Asian artists with sustainable efforts, fostering greater international competitiveness, and bringing the diversity and innovation of Asian art to the global stage.

The fair aims to drive the development of Asia's contemporary art, encourage cross-cultural dialogue, and elevate the art industry to the next level.

In conjunction with the Art Finance Development Forum, we precisely market to high-net-worth individuals, integrate art and financial resources, connect high-net-worth collectors and investors, and create more value and opportunities in the art market.
