Art Future 2026

A Major Promoter for
Emerging Asian Artists

Art Future is Asia’s premier art fair exclusively dedicated to emerging artists under the age of 40. 2026 in its eighth edition, the fair has proudly featured leading galleries from across the region—including China, Japan, South Korea, the Philippines, Hong Kong, Indonesia, Vietnam, Thailand, Malaysia, and Singapore—presenting the works of over 800 exceptional young talents. Art Future serves not only as a dynamic platform for cross-cultural dialogue but also as a vital incubator for the next generation of artistic visionaries.

In collaboration with the Grand Hyatt Taipei—Taiwan’s most prestigious five-star hotel—Art Future is held in the heart of the Xinyi District, Taipei’s foremost commercial and cultural hub. The fair has established itself as a landmark event in the region’s contemporary art calendar, attracting collectors, curators, and art enthusiasts from across Asia and beyond.

ART FUTURE was founded by Mr. Richard Hsueh Kung CHANG in 2019. Building on the vision for creating Young Art Taipei in 2009, ART FUTURE continues this legacy by combining art fair with curatorial, comprising three projects: Young & Emerging Section, Ultra-contemporary Emerging Artist Section and New Media Section. Through a perspective based on Asian contemporary art, ART FUTURE is a platform that incubates emerging art in Asia, making it an indispensable part in encounters between Taiwan’s contemporary art and the international art community.
